RE: Illuminated Sign  
Docket No.: 349B design JESUS

Dear Mr. Wells:

We hope your summer starts well. Perhaps more thunderstorm activity may lead to additional roofing work. Earlier this spring, a revised drawing was submitted for this application. However, the Examiner has grumbled that the drawing was missing a form.

The Examiner from the Patent Office requests a power of attorney form. Though we submitted the application on your behalf last year, the power of attorney officially appoints us to your application.

Please review and sign the enclosed power of attorney and return it to us promptly. If you have any questions, please let us know.

Sincerely,

Charles C. McCloskey
